Casey's is teaming up with offensive tackle Gennings Dunker to announce the return of its popular Bacon Cheeseburger Pizza, joined by all-new, crispy fries.

"I've been eating Casey's pizza for years and it's hands down my favorite pizza. The first time I had the Bacon Cheeseburger Pizza, I was in heaven," said Gennings Dunker, 2026

Pittsburgh draft pick. "Now it's back with crispy fries, and it's like—yeah, that works. Casey's is always bringing unexpected, delicious favorites – and this one is a winner for summer."

A Fan-Favorite Returns – With a Twist

Bacon Cheeseburger Pizza fans' demand has made it Casey's most requested LTO. This time around, the pizza features a fresh Thousand Island sauce base and is being joined by its sidekick – Crispy Fries. Two can be better than one, which makes Crispy Fries the perfect companion to the pizza.

- **Bacon Cheeseburger Pizza:** Served on Casey's legendary made-from-scratch-dough with a new Thousand Island sauce and loaded with melted cheese, topped with beef, bacon, cheese, pickles and onions.
- **Crispy Fries:** Striking the perfect balance of crispiness on the outside and a fluffy potato on the inside – a bold pairing for the Bacon Cheeseburger Pizza and just as good on their own.

"At Casey's, when guests ask for something back, we don't just bring it back, we do it with an unexpected twist," said Brad Haga, SVP, Prepared Food & Dispensed Beverage at Casey's. "Summer is the perfect time to bring back the Bacon Cheeseburger Pizza and have a little fun with it. With the addition of our Crispy Fries, we're taking a classic American combo and making it a full-on flavor experience that's uniquely Casey's."
